

# Competition entry flyer

Stakeholders in WA that have registered an activity in support of National Cervical Cancer Awareness Week (12 – 18 November 2018) are eligible to submit a photograph of their activity to win a prize. Innovative and/or creative activities that promote regular cervical screening are particularly encouraged.

To enter, please email a high resolution photograph or short video (less than 1 minute) of your activity and staff, with a short description to [cervicalscreening@health.wa.gov.au](mailto:cervicalscreening@health.wa.gov.au) by 30 November 2018. One entry per registered activity is permitted.

Winners will be notified by the WA Cervical Cancer Prevention Program (WACCPP) in December 2018 and photographs/videos may be published in local media.

A range of resources can be accessed from the WACCPP free of charge by completing the registration form available from [ww2.health.wa.gov.au/2018-NCCA](http://ww2.health.wa.gov.au/2018-NCCA)
