

NATSIHWA
National Aboriginal and Torres Strait
Islander Health Worker Association

2018 STATE-WIDE FORUM

QLD 14 November 2018
Nambour
Sunshine Coast Health Institute

PROGRAM

Participate in the upcoming NATSIHWA forum
Share ideas, meet your colleagues and learn new skills to help you in your roles addressing Aboriginal and/or Torres Strait Islander community health needs.

AIM FORUM: A shared culturally safe space for networking on current workforce development issues and opportunities among Aboriginal and/or Torres Strait Islander workforce professionals. The forum counts as one day CPD.

The program includes:

NATSIHWA in 2018

- Update on our work
- How we can help you
- New resources and tools
- Staying connected with us
- Strategic Policy, Partnerships and Work

Professional development and skills training

We invite organisations to deliver a professional development presentation or workshop on the day. This is focussed on a regional health concern or priority, and could include Diabetes, Renal Failure, Eye Health, Ear Health, Maternal and Child Health, Tobacco Programs or Infectious Diseases.

Networking opportunities

This includes professional organisations, such as AHPRA, HESTA, Diabetes Australia, Primary Health Networks, PEPA, Autism QLD, RHD Australia, White Ribbon, IBA and many others.

**A FORUM FOR ABORIGINAL
AND/OR TORRES STRAIT
ISLANDER HEALTH WORKERS
AND PRACTITIONERS**
