Mental Health Week Seminar

On behalf of the Menzies Stay Strong team, we are pleased to invite you to our upcoming Mental Health Week Seminar. This seminar is aligned with this year's Mental Health Week theme - **"Celebrating our strengths: Innovative programs for improved mental health care in the NT"** and will include guest speakers, a panel and an opportunity to get involved in setting mental health service priorities for the NT. Presentations will share different perspectives on creative and innovative 'strengths-based' programs and approaches that promote well-being.

Lunch and morning tea provided
