

HEALTHY HOMES WORKSHOP

**Presenters: Dr Mel Stoneham,
Mr Nick Wilson, Ms Fiona Lange**

**When: Tuesday the 31st October,
Wednesday the 1st November**

**Where: Contour Hotel: Katherine
9.30am-4pm. (Lunch and morning
tea will be provided)**

This workshop will cover:

- Why the healthy homes approach is important to promote health
- *Six Steps to Stop Germs* as the key health message for healthy homes
- How *Six Steps to Stop Germs* link to disease risk factors and the diseases that are linked to environmental health
- Matching disease risk factors with key parts of the home environment
- Checking out the existing safe bathroom tool Healthy Home App.
- Tips on how to gain entry into homes
- The importance of yarning with tenants around the *Six Steps to Stop Germs*
- Tips on how to get tenants motivated to follow the *Six Steps to Stop Germs*

The workshop will integrate case studies, group work and interactive learning activities. It will be tailored to the NT context and include the important principle of 'no survey without service'.

Call out to all:

**Health Workers
Environmental Health Officers
Aboriginal Health Practitioners
Public Health Workers
Remote Area Nurses
Anyone with an interest**

The Indigenous Eye Health Unit has partnered with Katherine West Health Board to provide a two-day workshop on healthy homes in remote communities. Please note there is no cost to attend this workshop. However numbers are limited.

If you would like to attend, please RSVP to Katherine West Board at info@kwhb.com.au by Wednesday 11 October and feel free to share amongst your networks.
