

Webinar

Intro to HIV – Aboriginal Focus

This webinar will provide a general introduction to and overview of HIV in Australia, with a focus on Aboriginal people and communities.

This free session will be presented by SHINE SA Aboriginal Educators, Gordy and Bianca.

This webinar will cover:

- HIV definitions and concepts
- epidemiology and transmission
- HIV and the law
- testing, prevention/treatment
- stigma and discrimination

There will also be an opportunity to ask questions during the live session.

We encourage all Aboriginal Health Workers, Aboriginal Health Practitioners and anyone who works for or works with a focus on Aboriginal community including youth and AOD workers to enrol.

COST: FREE

DATE: 4 December 2020

TIME: 3:00 - 4:00 pm ACST
