

Palliative Care for Aboriginal & Torres Strait Islander Health Professionals

PEPA provides pathways for primary health care providers to develop and enhance skills, knowledge and confidence in the palliative approach.

Come and join us for an interactive workshop on the palliative approach and how to care for your patients who have a life-limiting or chronic illness. We will discuss the palliative approach, communication with your palliative patients, advance care planning, end of life care and self-care.

- TARGET GROUP:** Aboriginal Health Workers, Aboriginal Liaison Officers, Outreach Workers, Community Workers, Interpreters, Carers working within the Aboriginal Health Service.
