

PRE-REGISTRATION

NATSIHWA 2018

National Professional Development Symposium

The NATSIHWA Symposium is being held with the purpose of offering participation in professional development, highlighting national evidence based best practice programs & services.

With 2 full days of immersion with a practical delivery style the intention is to experience the knowledge exchange required to take the skills home and transfer back into your community or perhaps inspiring you to transform into your own best practice programs & services.

With only 100 spaces available for Full NATSIHWA Members, we require you to Pre-register your details using the link provided and we will contact you to arrange payment at a later date.

We cannot hold or reserve spaces without full payment of \$100 Symposium Registration Fee.
