

Time (AWST)	Duration	Theme	Person/Format	Session Title
8:30	30 mins	None	Welcome To Country Video	Kaya, welcome the 6 th OMOZ hosted from Whadjuk Boodjar - the land of the Noongar nation. Our Elders would like to virtually welcome you to their country. Please watch and enjoy this video as we kick-start OMOZ 2021!
9:00	2-5 mins	Plenary Speaker	Prof. Amanda Leach (Menzies, Darwin)	Introduction of Plenary Speaker
9:05	20 mins		Prof. Kelvin Kong (John Hunter Hospital, Newcastle)	Building Indigenous Capacity for Brighter Futures
9:25	10 mins		Longer Break//Q+A	
9:35	2-5 mins	Otitis Media In the Community	A/Prof. Chris Brennan-Jones (Telethon Kids, Perth)	Introduction of Theme Speakers
9:40	10 mins		Prof. Amanda Leach (Menzies, Darwin)	Hearing for Learning Initiative
9:50	5 mins		Break//Q+A	
9:55	10 mins		Rose Walley (Telethon Kids, Perth)	TBC
10:05	5 mins		Break//Q+A	
10:10	10 mins		Ruth Monck, Pina Kampi Team (Kalgoorlie)	Pina Kambi Pilot Project
			Josie Adams, Pina Kampi Team (Kalgoorlie)	
10:20	5 mins		Break//Q+A	
10:25	10 mins		Sam Harkus (Australian Hearing, Sydney) + Facilitator	'Sometimes you think they're being mugul.' Parent and carer perspectives on young Aboriginal and Torres Strait Islander children's access to ear health and hearing services in urban areas.
10:35	5 mins		Break//Q+A	
10:45	10 mins		Emma Johnson (Hearing Australia, Cairns, QLD)	Abstract Talk: 600 pairs of ears - a Yarrabah perspective
10:55	15 mins		Break//Q+A	
11:10	10 mins		Matt Brown (Deadly Ears, Brisbane)	Understanding the benefits of surgery for the treatment of otitis media for Aboriginal and Torres Strait Islander children in remote communities across QLD
11:20	5 mins		Break//Q+A	
11:25	10 mins		Victoria Stroud (Telethon Kids, Perth)	Koorlungkas Yarning - A community perspective of language, trauma and healing
			Kerry Stack (Telethon Kids, Perth)	
11:35	5 mins	Break//Q+A		

11:40	10 mins		Dr Celestine Aho (Papua New Guinea Institute of Medical Research, Papua New Guinea)	Otitis media in the highlands of Papua New Guinea
11:50	5 mins		Break//Q+A	
11:55	10 mins		Natasha Morrison (Telethon Kids, Perth)	Djaalinj Waakinj Urban Aboriginal Ear Health research project - engaging the Aboriginal community in research
12:05	5 mins		Break//Q+A	
12:10	10 mins		Jack Alexander DeLacy (The University of Sydney, NSW)	Abstract Talk: The social determinants of otitis media in Aboriginal children in Australia: are we addressing the primary causes? A systematic content review
12:20	5 mins		Break//Q+A	
12:25	10 mins		Yolanda Fernandez Reitano (Queensland Health, Qld)	Abstract Talk: Family perspectives and experiences of the impacts of otitis media: Trial of an adapted OM-6 quality-of-life tool
12:35	5 mins		Break//Q+A	
12:40	10 mins		Jiunn-Yih Su (Menzies, Darwin)	Abstract Talk: An evaluation of the cascade of care for the ear health of Aboriginal children in remote Australia, 2014-2018
12:50	5 mins		Break//Q+A	
12:55	65 mins		LUNCH (including 3 minute talks)	
	3 mins	1	Jemima Beissbarth	Abstract Talk: Pneumococcal serotype carriage in Aboriginal children with and without acute otitis media (AOM) across four vaccine eras.
	3 mins		Kelly Martinovich	Abstract Talk: Investigating maternal transfer of pneumococcal and NTHi antibodies in infants at high-risk of otitis media
	3 mins		Prof. Amanda Leach (Menzies, Darwin)	Abstract Talk: Head-to-head and combined pneumococcal conjugate vaccine (PCV) schedules: secondary immunogenicity outcomes to 7 months of age
	3 mins	2	Prof. Amanda Leach (Menzies, Darwin)	Abstract Talk: An OMapp for the 2020 Otitis Media Guidelines for high- and low-risk Aboriginal and Torres Strait Islander children
	3 mins		Prof. Amanda Leach (Menzies, Darwin)	Abstract Talk: Otoscopy and tympanometry can reasonably predict hearing loss in Aboriginal children 12 to 36 months of age.
	3 mins		Clory Carrello (With Clory)	Abstract Talk: South Metropolitan Aboriginal Ear Health Program - An Integrated Approach to Treating Chronic Otitis Media in Aboriginal Children
		June Doyle (With Clory)		
2:00	5 mins	Guest Speaker: Community Perceptions and Management Strategies for OM in Greenland	Dr Chris Brennan-Jones (Telethon Kids, Perth)	Introduction of Guest Speaker
2:05	20 mins		Dr Malene Nøhr Demant (Zealand University Hospital, Copenhagen)	Community Perceptions and Management Strategies for OM in Greenland
2:25	10 mins		Longer Break//Q+A	
2:35	5 mins		Prof. Jenny Reath (Western Sydney University, Sydney)	Introduction of Theme Speakers

2:40	10 mins		A/Prof. Penny Abbott/ARO (Western Sydney University, Sydney)	Undertaking ear health research in Aboriginal and Torres Strait Islander primary care services – benefits beyond the research
2:50	5 mins		Break//Q+A	
2:55	10 mins		A/Prof. Chris Brennan-Jones (Telethon Kids, Perth)	Treatment of chronic suppurative otitis media: A suite of Cochrane reviews
3:05	5 mins		Break//Q+A	
3:10	10 mins		Prof. Amanda Leach (Menzies, Darwin)	Abstract Talk: Chronic OM established and specialist referral required for 70% Aboriginal infants by 7 months of age
3:20	5 mins		Break//Q+A	
3:25	10 mins		Dr Elke Seppanen (Telethon Kids, Perth)	Bacterial reservoirs in Otitis prone children predict clinical outcomes
3:35	5 mins	GP, Audiology + Surgery	Break//Q+A	
3:40	10 mins		A/Prof. Shyan Vijayasekaran (Perth Childrens Hospital, Perth)	The little things
3:50	5 mins		Break//Q+A	
3:55	10 mins		Kate Hearn (Children's Health Queensland Hospital and Health Service, Queensland, Australia)	Abstract Talk: A trial of TeleAudiology in partnership with 10 Aboriginal and Torres Strait Islander communities: Factors for success
4:05	5 mins		Break//Q+A	
4:10	10 mins		Dr Jafri Kuthubutheen (Perth Childrens Hospital, Perth)	The role of Telehealth in the diagnosis and management of otitis media - the Kimberley experience
4:20	5 mins		Break//Q+A	
4:25	10 mins		Eman M A Alenezi (Telethon Kids, Perth)	Abstract Talk: The quality of video otoscopy still images and recordings and their suitability for the asynchronous diagnosis of middle-ear disease in children
4:35	5 mins		Break//Q+A	
4:40				End of Day 1
19:00		Social Outing	Deborah Lehmann	Social Outing
			Day 2	Thursday 2nd September
9:00	30-40 mins	Day 2 Intro	The Ear Health Portal Minidocumentary	Video
9:30	5 mins	Break	Break//Q+A	
			Sam Harkus (Australian Hearing, Sydney)	Co Facilitator

9:45 - 10:45	1 hour	SESSION I: Community perspectives on the Ear Health research gaps	Toni Manton	Co Facilitator
			Trumaine	Live Panel
			Val Swift (Telethon Kids, Perth)	Live Panel
			Kerry Stack (Telethon Kids, Perth)	Live Panel
			Sissy Tyson (Inala, Brisbane)	Live Panel
			Katie Edney (VAHS, Melbourne)	Live Panel
10:45	15 mins		Break//Q+A	
11:00 - 12:00	1 hour	SESSION II: Clinical Trials for OM -where, what, when and how?	Peter Richmond	Co Facilitator
			A/Prof. Penny Abbott (Sydney)	Live Panel
			Dr. Ruth Thornton (University of Western Australia, Perth)	Co Facilitator
			Prof. Peter Morris (Darwin)	Live Panel
			Prof. Amanda Leach (Darwin)	Live Panel
			Letitia Campbell (Kalwun, Gold Coast)	Live Panel
12:00	60 mins		LUNCH (inclusive of 3 minute abstract talks)	
12:25	3 mins		Lara Shur + Paul Higginbotham	Abstract Talk: Successful treatment of Otitis Media within a Community-centred program - what have we learned?
12:30	3 mins		Lara Shur + Paul Higginbotham	Abstract Talk: Listening to the end user -Aboriginal clients and communities share their voice
12:35	3 mins		Lara Shur + Paul Higginbotham	Abstract Talk: An NGOs perspective on success and challenges in the Otitis Media space
12:40	3 mins		Donna Rees	Abstract Talk: Hear our Heart Ear Bus Project: Supporting families of Australian Indigenous and non-Indigenous children with Otitis Media
12:45	3 mins		Sanna Hou	Abstract Talk: Working together to develop the Early Childhood Hearing and talking Observations (ECHO) checklist for Early Childhood Educators
12:50	3 mins		Tamara Veselinovic	Abstract Talk: Djaalinj Waakinj OM-6: a cross-cultural revision of the Otitis Media-6 quality of life questionnaire.
12:55	3 mins		Dr Jacqueline Stephens	Abstract Talk: The role of Aboriginal Health Workers and Practitioners in the early detection of ear disease and hearing impairment among Aboriginal and Torres Strait Islander children
1:00	5 mins	Guest Speaker: Vaccines for	Dr. Lea-Ann Kirkham (Telethon Kids, Perth)	Introduction of Guest Speaker

1:05	20 mins	vaccines for Otitis Media	Dr. Mark Alderson (PATH, Seattle)	Vaccines to prevent OM: progress and challenges
1:25	10 mins		Longer Break//Q+A	
1:35	5 mins	Theme 3: Biology of OM – what this means for First Nation's kids	A/Prof. Heidi Smith-Vaughan (Menzies, Darwin)	Introduction of Theme Speakers
1:40	10 mins		Dr. Seweryn Bialasiewicz (University of Queensland, Brisbane)	Australian Centre for Ecogenomics, The University of Queensland Centre for Child Health Research, Children's Health Queensland
1:50	5 mins		Break//Q+A	
1:55	10 mins		Dr. Robyn Marsh (Menzies, Darwin)	The ear discharge microbiome among children with chronic suppurative otitis media
2:05	5 mins		Break//Q+A	
2:10	10 mins		Steven Taylor (SAHMRI)	Ear microbiota and middle ear disease: a longitudinal pilot study of Aboriginal children in a remote South Australian setting
2:20	5 mins		Break//Q+A	
2:25	10 mins		Caitlyn Granland (Telethon Kids Institute)	Abstract Talk: <i>Haemophilus haemolyticus</i> prevents non-typeable <i>Haemophilus influenzae</i> otitis media in a murine model
2:35	10 mins		Longer Break//Q+A	
2:45	10 mins		Dr. Lea-Ann Kirkham (Telethon Kids, Perth)	A first in human study to test the safety and tolerability of a novel preventative therapy for otitis media.
2:55	5 mins		Break//Q+A	
3:00	10 mins		Sharon Clark (Telethon Kids Institute)	Abstract Talk: Otitis-prone Aboriginal children have lower natural antibody titers to NTHi vaccine candidates than Non-Aboriginal otitis-prone children
3:10	5 mins		Break//Q+A	
3:15	10 mins		Dr. Ruth Thornton (University of Western Australia, Perth)	Have been the co-PI on 2 investigator led clinical trials and involved in various roles in many others (mainly from a laboratory perspective).
3:25	5 mins	Break//Q+A		
3:30	20 - 30 mins	Closing Ceremony		Live TBC
4:00		END OF DAY
