

Poche Indigenous Health Network 10th Annual Aboriginal Research Showcase 17th – 18th November 2021

On behalf of the Poche Indigenous Health Network, the Poche Centre for Indigenous Health, University of Sydney is hosting the 10th Annual showcase of Aboriginal and Torres Strait Islander health research initiatives from across the University sector and broader community.

The event, chaired by Professor Tom Calma AO, will bring together an array of researchers, scholars and community collaborators to share our experiences and findings from some of the great initiatives happening in Aboriginal and Torres Strait Islander Health research.

Join us and come and hear about all the great work being done within Aboriginal and Torres Strait Islander health research!

When:

Wednesday 17 and Thursday 18 November 2021

To Register:
