

Australian Indigenous HealthInfoNet Advisory Board Expression of interest

Description:

The Australian Indigenous HealthInfoNet is seeking expressions of interest from young Aboriginal and/or Torres Strait Islander people to join its national Advisory Board. The Advisory Board provides strategic advice and guidance to the *HealthInfoNet* Director to ensure that it continues to provide support to the Aboriginal and Torres Strait Islander health sector workforce.

The Australian Indigenous HealthInfoNet undertakes knowledge exchange research activities to summarise, synthesise and analyse the available research and other information and make it available to the health sector workforce in ways that are timely accessible and relevant. <https://healthinfonet.ecu.edu.au/>

Youth representatives will provide important feedback from a young person's perspective to guide the strategic and operational activities of the HealthInfoNet. The youth representatives will join the Advisory Board of senior Aboriginal and Torres Strait Islander and other health experts from throughout Australia. <https://healthinfonet.ecu.edu.au/about/governance/advisory-board/>
