

**FLINDERS ISLAND ABORIGINAL
ASSOCIATION INCORPORATED – FIAAI
TACKLING INDIGENOUS SMOKING**

Come and work with us!

Tobacco Action Workers based in Launceston and Hobart

We have a full and part time positions available for the right candidates to work as a part of a small State wide team to deliver a range of population health and culturally appropriate activities to reduce the smoking rates of Tasmanian Aboriginal people through smoking cessation as well as reducing the uptake of smoking.

The positions can be based in Launceston or Hobart with significant travel around Tasmania as this is a state-wide project. If you are well connected to the Aboriginal community and are interested in making a difference to our health and wellbeing through tackling smoking, then this role may be for you.

This is a great opportunity to learn more about tackling tobacco and Aboriginal health. Training for these positions will be provided.
