The main purpose of Yahweh House is to provide a safe place for those in the community that may find themselves pregnant but do not have support or a safe place to stay for the duration of their pregnancy.

Yahweh House's mission is to offer a home for pregnant mums where they will feel safe and supported throughout their pregnancy.

**We offer to provide women with:**

- A safe home environment for pregnant women of any age or culture, for the time that they need (a week or several months)
- Relevant professional support e.g. Counseling, life skills, practical assistance, money management and parenting education, as each individual needs.
- Ongoing short-term support after the birth of their baby
- Opportunities to develop self-esteem and to equip mum to live a healthy, confident and happy life with her baby
