ARE YOU AN ABORIGINAL OR TORRES STRAIT ISLANDER LGBTQA+ YOUNG PERSON? IF SO, WE WANT TO HEAR FROM YOU!

The Rainbow Knowledge research project aims to understand and promote the social and emotional wellbeing and mental health of Aboriginal and Torres Strait Islander LGBTQA+ young people, and work with local services to help them understand your needs.

You can take part in 2 different ways

- Come along to a yarning circle held in Perth/Sydney with other young Aboriginal and/or Torres Strait Islander LGBTQA+ people
- Come and have a 1-1 interview with one of our researchers (if you prefer not to be in a group)

Yarning circles and interviews can go between 2-4 hours.
