Whilst Arche Health acknowledges WA Primary Health Alliance (WAPHA) as their funder for services provided under the ITC program in Perth North West and South East, the information contained in this brochure does not necessarily reflect the funder's views. WAPHA does not accept liability in negligence or otherwise for any injury, loss or damage however arising from the use or reliance on the information provided.

Arche Health is committed to providing a safe, supportive, respectful and inclusive environment to all regardless of disability, age, cultural background, religion, socio-economic status, sexual orientation or gender identity.

December 2018

The Arche Health **Wangen Murduin® Integrated Team Care (ITC)** Program aims to improve the health of Aboriginal and Torres Strait Islander people who live with a chronic condition. The program strives to improve access to high quality, culturally appropriate health care services.

We are able to help Aboriginal and Torres Strait Islander clients access the care they need that is included in their GP Management Plan (GPMP).

## Eligibility

Aboriginal or Torres Strait Islander

Ongoing chronic condition that has lasted for more than 6 months

Have a GP referral

Have a current GP Management Plan (GPMP)

## The Wangen Murduin® Integrated Team Care Staff will:

- Work with your doctor to support you with your health care plans
- Assist you to access services that will benefit your chronic condition
- Assist with arranging medical and allied health visits, as needed
- Encourage regular GP visits
- Advocate and assist you when needed, where possible
- Assist you with transport to appointments related to your chronic condition, subject to availability
- Invite you to participate in our Wellbeing Groups and Programs

## Supplementary Services

This service can provide support for:

- Medical specialist visits
- Allied health visits
- Transport\*
- Monitoring equipment
- Mobility aids
- Spectacles
- Medical footwear
- Webster packaging
- Assistive breathing items

\* subject to funding criteria and availability
