Meet 'your' new Tackle Indigenous Smoking Team

ask
**CARBAL'S
TACKLING
Indigenous
smoking team**

HEALTHY MURRI, SUSTAINABLE WORK Louise and Richard will be out and about in the community – make sure you come and have yarn. Contact us today to start your 'quitting' journey.

1300 379 558

Louise Martin Warwick Aboriginal Health Worker

Louise has an extensive working history in the business and health sector. She has worked in Cunnamulla, Rockhampton, Mount Morgan, Toowoomba and now resides in Warwick.

Louise is a qualified Aboriginal Health Worker and provided services throughout her career in her positions of:

- ✓ Bringing Them Home/Stolen Generation Coordinator
- ✓ Quality Coordinator
- ✓ Aboriginal Medical Services Clinic Manager
- ✓ Health Promotion Officer

Within all her roles, Louise is committed to the mob and making a difference on a personal and community level.

Richard Turnbull Toowoomba Aboriginal Health Worker

Richard has worked in Mount Isa, Alice Springs and Tennant Creek improving Indigenous and non-Indigenous health and wellbeing.

Richard is a qualified Environmental Health Practitioner with a Degree in Applied Science (environmental health), Certificate IV in Primary Health Care and has worked in Native Title and Aboriginal Legal Services.

Richard knows what it is like to quit smoking as he believes that once knowledge is understood, then the healing process can start to develop towards individual health and wellbeing. Make the change.

Recent Outcomes

As per 2017 Annual Audited Statement

- 12% of all clients referred to the 'Tackle Indigenous Smoking program' have quit and 59% have reduced their intake.
- Warwick Indigenous client numbers have grown 47.7% from June 2016 to June 2017.
- Early Intervention service delivered 532 clinical sessions during the past year.
- Indigenous Young Parent service delivered 1937 services during the past year.
- Carbal increased the data accuracy and recording of children who are fully immunized from 55% to 86%.
- Indigenous Child Health & Hearing screened 778 children during over 40 visits to schools.
- 2017 established a regular Sexual Health Clinic in our Toowoomba clinic.
- School visits by Carbal health professionals conducted 715 Health Checks on 100+ Indigenous students.
- 60 new babies welcomed to the New Directions Family during 2016-17.
- 90% of PHaMS clients have been supported to transition to the NDIS.
- 42 group sessions conducted by the Strong Fathers, Strong Families Program.
- Strong Fathers program has received and supported 64 Murri Court referrals since October 2016, with none of the men re-offending.
- Carbal partnered with UQ Rural Clinical School and QUT to conduct research programs.
- Over 1700 care coordination services have been delivered through the Integrated Team Care program.
- Carbal provides over 11,000 transports annually for clients to access health services.
