

MANY HEALTHY LUNGS PROJECT

STRONG LUNGS, STRONG SPIRIT

Can you help?

We are looking for community members to take part in a study to help Aboriginal people with breathing problems.

You can take part in the study if you:

- 1 Are Aboriginal or Torres Strait Islander Australian
- 2 Have never smoked more than 100 cigarettes (5 packs)
- 3 Have never been told by a doctor you have a lung disease like asthma or COPD
