

About this Form

Thank you for your interest in taking part in an online co-design session to help shape the survey tools for the OCEAN (Occurrences of Care Explained and ANalysed) study.

These sessions are designed to workshop draft survey questions, so they accurately reflect the roles and work of Aboriginal and/or Torres Strait Islander Health Workers and Health Practitioners working in General Practices, Aboriginal and Torres Strait Islander Community Controlled Health Organisations and Aboriginal Medical Services.

Sessions for Aboriginal and Torres Strait Islander Health Workers and Health Practitioners

For Aboriginal and/or Torres Strait Islander Health Workers and Health Practitioners sessions will be delivered by State/Territory groups as per the below:

State/Territory Session	Date	Time
