

# Safe Yarns Strong Spirit

---

We invite Mob to join our yarnning circles  
and safely share your story  
**BBQ provided afterwards**

**Date:** Wednesday 6<sup>th</sup> May, 2026

**Yarning Circles:** 1pm - 4pm  
Powerhouse Place,  
Hugh King Drive, Mildura

**BBQ:** 5pm - 6:30pm  
Jaycee Park  
Hugh King Drive, Mildura

There will be didgeridoo playing at the BBQ, and face painting for the kids, so bring the whole family along.

---

If someone you love has died by suicide, please know you're not alone. We honour your grief and walk with you, as we know healing takes time.

- Share your story and guide us in understanding your journey.
- Learn about support available for grief and loss.
- Explore how we can heal together as a community.

Postvention means supporting people and communities after suicide loss. It helps reduce stigma, promote healing and prevent further loss through compassionate, ongoing care.
